7th October 2024

Dear Parents and Carers

KS2 Revision Support

As you might be aware, the KS2 National Curriculum tests in English and maths take place during the week commencing 12th May 2025.

Over the coming months, we will be helping your child prepare for these assessments in school. All pupils currently have access to TT Rockstars and Spelling Frame as online resources. Pupils have also recently been given log-ins for SATs Boot Camp - a further online resource which provides a plethora of revision materials, video clips and practice SATs questions. Your child's English and maths teachers will continue to set home online learning to support test technique and revision of key skills. In addition to this, pupils are welcome to use these resources at any time independently to boost their knowledge.

Finally, we would also like all pupils to have a maths revision book - 'Ready? Set? Go! The Ultimate KS2 Mathematics Guide. This will further support the revision taking place at home in the run up to the assessments: Priced at £5.50, the textbook is heavily discounted when purchased through the school.

If you would like to order this book, please make a payment of £5.50 through ParentPay. Any pupil eligible for Pupil Premium will not be charged and the revision guide will be ordered automatically for them. Please place orders before Friday 25th October and we will distribute the guides early after half-term.

We will be providing further information in the new year to support your understanding of the KS2 tests and how you can support your child. More information will follow.

Thank you for your ongoing support.

A handwritten signature in black ink that reads 'Mike Horton'.
